Train For a Rewarding Career

Nurses perform a vital role in the American healthcare system. From measuring vital signs to giving injections, administering medications to assisting physicians with procedures, they're the heart and soul of the medical field. Get started in this rewarding field by earning your Associate in Specialized Technology (AST) degree in Practical Nursing at IMBC.

- Program Length: 95-quarter credit hours
- Program Type: Associate in Specialized Technology (AST)
- Format: Classroom and blended online

In this program, you will build a strong foundation for working in medicine as you master the fundamentals of nursing, including anatomy and physiology. You'll learn how to assist with care throughout the life cycle and care for patients from infancy to the geriatric stages of life.
