COMBINED JEANNE CLERY DISCLOSURE & CAMPUS SECURITY REPORT

(Erie Campus & Pittsburgh Campus)

SEPARATE CAMPUSES

The **Institute of Medical and Business Careers (IMBC)** issues this Annual Security Report (ASR) in compliance with the **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act** ("Clery Act"). This federal law requires institutions of higher education that participate in federal student financial aid programs to disclose campus crime statistics and security information annually.

Additional information on the Clery Act is available from the U.S. Department of Education:

→ <https://www2.ed.gov/admins/lead/safety/campus.html>

Availability of the Annual Security Report

The IMBC ASR is published and distributed each year to students and employees. It contains crime statistics for the three most recent calendar years and outlines IMBC's campus security policies, including those related to alcohol and drug use, crime prevention, reporting crimes, sexual assault, and emergency response.

Crime statistics for all colleges and universities can also be found at the U.S. Department of Education's **Campus Safety and Security** website:

→ <https://ope.ed.gov/campussafety/>

Clery Act Compliance

The Clery Act requires institutions with more than one campus to provide separate statistics for each location. IMBC complies with this requirement by preparing and disclosing statistics for each of its campuses individually.

For additional resources and guidance on compliance with the Clery Act, please visit the **Clery Center**:
